

Morristown Gun Club, Inc.  
Meeting Minutes  
June 2020

Meeting was called to order. Treasurer's report presented and accepted.  
Secretary report accepted.

Old Business:

1. To continue to comply with recommendations, we removed tables and most chairs from the club house. This has reduced the amount of congregating and allowed for social distancing.
2. Tom K. reports he has no news from the DNR on the grant for the wall and lights.
3. A plan was set to replace the wobble house with Bob, Randy and Karl taking the lead. Bob will order materials and has volunteered to set the frames and pour the cement. He will also have Chad assist in building the wobble house. Karl S. made the motion to build new wobble with an estimate of \$5,500. Dave A. second, motion carried. The goal is to have the wobble replaced before Youth League Picnic, but by Metzke Shoot at latest.
4. A fence between house one and two for skeet is still planned, but is on hold until we hear from DNR about the grant.
5. Randy and jim plan on setting down the railroad ties for a parking barrier along the west side of the clubhouse and will order additional gravel that was on hold from filling last fall.
6. The clubhouse deck is in need of some repairs. The plan is to replace the broken boards and cut off a section, replacing it with more steps. This will open up the deck and make for better flow.

New Business:

1. Some great updates about Youth League. We have about 70 kids signed up and shooting. We have a great system down, youth are

shooting a good number of practice rounds along with their league rounds. Pete will try to set up a committee to help with the picnic/shootout on July 25th. We are still seeking additional donations for prizes. We would like to see each league member have something from the picnic. Plan is to take the top ten from each division to shoot 100 rounds each for final placement.

2. After a discussion about outdoor seating and how people are using the benches, Dave A. made a motion to buy 4 sets of bench ends to make more of the benches. Motion has a limit of \$300. Randy F. second, motion carried.
3. Mike Ahlman contacted the club about splitting a load of clay targets. Bob Q. made a motion to split truck with Ahlman's, with a one pallet of solid orange for skeet and 9 pallets of regular targets. Karl second, motion carried. Bob L. will return contact with Mike.

Meeting winners: Bob Q. and Pete M.

Motion to adjourn.

Respectfully submitted,  
Pamela Davis  
Secretary  
Morristown Gun Club
